EDUCATION

RIZVI COLLEGE OF ENGINEERING BE in Computer Science,University of Mumbai	2021 — 2025
LOKMANYA JUNIOR COLLEGE High School Diploma in Higher	2020 — 2021
ST ANTHONY 'S HIGH SCHOOL Secondary School	2018 — 2019

PROJECTS

- Food Ordering Website** 2022 — 2023
 - A food ordering website is an online platform that allows users to browse menus, place food orders from local restaurants, and have the food delivered or pick ed up. Key features include menu listings, order customization, secure payment options, delivery tracking, and user re views. The website connects customers with nearby eateries,facilitating convenient and efficient food ordering and delivery .
- School Management System** 2022 — 2023
 - A school management website is a platform that helps schools and educational institutions streamline their administrative and educational processes. It includes features like user authentication, student and teacher management, attendance tracking, grading, communication tools, event calendars, and fee management. Parents can also access their child's progress through the website.
- Note Taking App** 2021 — 2022
 - Our Note Taking App is designed to revolutionize your note-taking experience. With a clean and intuitive user interface, real-time sync, and powerful features, it's perfect for students, professionals, and anyone who values organization.

EXPERIENCE

- Back-End Engineering Job Simulation** (Virtual Intern) 2023 — 2023
lyft Certificate
- Completed the Back-End Engineering job simulation, taking over development of an unfinished project for the Lyft Rentals team. Drafted a UML class diagram representing a new reorganized architecture. Refactored a messy codebase inherited from another team to accurately reflect my new design.
- Software Engineering Job Simulationr** (Virtual Intern) 2023 — 2023
JPMorgan Chase ans Co. Certificate
- Set up a local dev environment by downloading the necessary files, tools and dependencies. Fixed broken files in the repository to make web application output correctly.
